To Whom It May Concern

Gyan Aasha centre was set up in 2008 by Lions Club Delhi Greater Kailash, a member of Lions Club International to help underprivileged youth acquire skills and training at nominal costs. The faculty consists of trained teaching staff and volunteers who assist these young people assimilate the knowledge and overcome difficulties.

I am delighted to write this letter for Ishaan Avi Gupta, DOB 14-08-2008, who has been a regular volunteer at our vocational center, Gyan Aasha since May 2022. As part of his volunteering, Ishaan helps 20 students from Grades 6 to 9 with their Computer Science, Math and Science syllabus for 4 hours on most weekends. Over time, we have observed a noticeable improvement in the school grades of these children. This is because Ishaan has built a strong bond with his students. Moreover, he has good communication skills and is disciplined, innovative, and organized in his attitude and patient in his approach. He has also volunteered in our general health check-up camps conducted in municipal schools and orphanages by maintaining records of students and data entries.

Ishaan stands head and shoulders above his peers in his civic mindedness and his desire to identify opportunities to give back to society. I am confident that he will achieve anything he sets his mind to, and I wish him every success.

With best wishes for Ishaan for the future

Yours sincerely
